

Please keep in mind

- No Smoking**
Thatched roofs are highly flammable. Please smoke only in designated areas.
- No Drones**
Drones are prohibited to protect privacy and cultural properties.
- Please make way for our cars**
Tourists are not allowed to drive into our village, but residents drive in and out. Please step aside and allow our cars to pass.

- Please do not enter our homes, fields, and other living places**
We ask you to respect our privacy by not peering into our homes or opening our doors. If you want to see the inside of the gassho-style houses, please visit gassho-style museums, restaurants and shops.
- Please take your trash home with you**
Please help protect our lovely natural scenery and our cultural properties from litter.
- No sightseeing in the early morning and after dusk**
We ask your cooperation for our sake and for the sake of those who have come to spend the night at the inns in our quiet mountain village.
